SECTION 1 – BIDDING AND CONTRACT DOCUMENTS

1.1 Definitions:

Bidder – a legal entity that submits an offer to sell to the Owner on a specified body of work. Generally where the term “Bidder” is used in the specifications, the indication is that the requirement or responsibility is associated with the bid submittal or other pre-award activities.

Contractor – as defined in RS 37:2150, includes general contractors, subcontractors, architects, and engineers who receive an additional fee for the employment or direction of labor, or any other work beyond the normal architectural or engineering services. Generally where the term “Contractor” is used in the specifications, the indication is that the requirement or responsibility is post-award. The term “Contractor” can also be used in the specification as an inclusive term that references the Contractor and all persons, Subcontractors, or other parties of interest acting on behalf of the Contractor in the performance of the contract as described in the specifications.

1.2 Interpretation of Documents and Prior Approvals: If any person contemplating submitting a bid is in doubt of the meaning of any part of the specifications, plans or other proposed contract documents and/or desired approval of "or equal" products he may submit to Michael Williams e-mail at mwil34@lsuhsc.edu or fax 504-717-2901 a written request for an interpretation or prior approval not later than NOON on Thursday, December 3, 2009. Any interpretation of documents and prior approvals will be made only by addendum duly issued and mailed or delivered to each bidder receiving a set of the plans and specifications. LSUHSC will not be responsible for any other explanations or interpretation of the specifications or proposed documents.

1.3 Termination by LSUHSC for Convenience

LSUHSC may, at any time, terminate the Contract for their convenience and without cause.

Upon receipt of written notice from LSUHSC of such termination for their convenience, the Contractor shall: cease operations as directed by LSUHSC in the notice; take actions necessary, or that LSUHSC may direct, for the protection and preservation of the work; and except for work directed to be performed prior to the effective date of termination stated in the notice, terminate all existing subcontracts and purchase orders and enter into no further subcontracts and purchase orders.

In case of such termination for LSUHSC's convenience, the Contractor shall be entitled to receive payment for work executed.

LSUHSC shall not be responsible or otherwise liable for any demobilization costs or incidental or consequential damages resulting from such termination.

1.4 Termination for Noncompliance

LSUHSC may terminate this contract for cause based upon the failure of the Contractor to comply with the terms and/or conditions of the Contract; provided that LSUHSC shall give the Contractor written notice specifying the Contractor's failure. If within thirty (30) days after receipt of such notice, the Contractor shall not have either corrected such failure or, in the case which cannot be corrected in thirty (30) days, begun in good faith to correct said failure and thereafter proceeded diligently to complete such correction, then LSUHSC may, at its option, place the Contractor in default and the Contract shall terminate on the date specified in such notice. The Contractor may exercise any rights available to it under Louisiana law to terminate for cause upon the failure of LSUHSC to comply with the terms and conditions of this contract; provided that the Contractor shall give LSUHSC written notice specifying LSUHSC's failure and a reasonable opportunity for LSUHSC to cure the defect.

Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer, recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship. - (6) In the event of the Contractor's noncompliance with the non-discrimination clauses of this contract or with any of such rules, regulations, or orders, this contract may be canceled, terminated or suspended in whole or in part and the Contractor may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
- (7) The Contractor will include the provisions of paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the contracting agency may use direct as a means of enforcing such provisions including sanctions for noncompliance: Provided, however, that in the event the Contractor becomes involved in, or is threatened with, litigation with the subcontractor or vendor as a result of such direction by the contracting agency, the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

(a) **REQUIREMENTS OF PROGRAMS.** In accordance with Section 60-1.4 of Chapter 60 of Title 41 of the Code of Federal Regulations, as amended, the Seller shall develop and shall require each of its lower-tier subcontractors hereunder who has 50 or more employees and a subcontract of \$50,000 or more to develop a written affirmative action compliance program for each of its establishments. A necessary prerequisite to the development of a satisfactory affirmative action program is the identification and analysis of problem areas inherent in minority employment and an evaluation of opportunities of utilization of minority group personnel. The Seller's and each of its nonexempt lower-tier subcontractor's programs shall provide in detail for specific steps to guarantee equal employment opportunity keyed to the problems and needs of members of minority groups, including, when there are deficiencies, the development of specific goals and timetables for the prompt achievement of full and equal employment opportunity. The Seller and each of its nonexempt lower-tier subcontractors shall include in his affirmative action compliance program a table of job classifications. This table should include but not be limited to job titles, principal duties (and auxiliary duties if any), rates of pay, and where more than one rate of pay applies (because of length of time in job or other factors), the applicable rates. The affirmative action compliance program shall be signed by an executive official of the Seller or lower-tier subcontractor as the case may be.

(b) **UTILIZATION EVALUATION.** The evaluation of utilization of minority group personnel shall include the following:

- (1) An analysis of minority group representation in all job categories.
- (2) An analysis of hiring practices for the past year, including recruitment sources and testing, to determine whether equal employment opportunity is being afforded in all job categories.
- (3) An analysis of upgrading, transfer and promotion for the past year to determine whether equal employment opportunity is being afforded.

© **MAINTENANCE OF PROGRAMS.** Within 120 days from the commencement of the applicable purchase order of the lower-tier subcontract hereunder, the Seller and each nonexempt lower-tier subcontract hereunder shall maintain a copy of separate affirmative action compliance programs for each establishment, including evaluations of utilization of minority group personnel and the job classification tables, at each local office responsible for

the personnel matters of such establishment. An affirmative action compliance program shall be part of the manpower and training plans for each new establishment and shall be developed and made available prior to the staffing of such establishment. A report of the results of such program shall be compiled annually and the program shall be updated at that time. This information shall be made available to representative of the agency or director upon request and the Seller's and each nonexempt lower-tier subcontractor's affirmative action program and the results it produces shall be evaluated as part of compliance review activities.
